### NOTICE OF WITHDRAWN APPLICATION

This application has been published in the IPO E-Gazette No 19-056-1 on 23 May 2016.

However, record shows that a request for substantive examination of this application was not filed within six months from the date of publication.

In view thereof, the above-mentioned application is considered WITHDRAWN by this office as of 24 November 2016.

Rule 804 of the Revised Implementing Rules and Regulations states that:

"Request for Substantive Examination. – A written request for substantive examination together with the full payment of the corresponding fee shall be filed within six (6) months from the date of publication of a patent application. The substantive examination is conducted to determine whether a patent application meets the requirement of patentability as provided by the IP Code. Failure of the applicant to file a request for substantive examination and pay the corresponding fees within the prescribed period shall result in the withdrawal of the application."
